

ORDINANCE NUMBER O- 21451 (NEW SERIES)

DATE OF FINAL PASSAGE MAY 03 2022

AN ORDINANCE OF THE COUNCIL OF THE CITY OF
SAN DIEGO ADOPTING THE POLICE DEPARTMENT'S
MILITARY EQUIPMENT USE PROCEDURE AND
APPROVING USE, PURSUIT OF FUNDING FOR, AND
ACQUISITION OF THE MILITARY EQUIPMENT
DESCRIBED IN THE PROCEDURE.

WHEREAS, the mission of the San Diego Police Department (Department) is to provide
the highest quality police services to the communities it serves; and

WHEREAS, the Department values transparency and public input, and welcomes open
dialogue about its practices and operations; and

WHEREAS, the preservation and sustainability of public safety, civil rights, and officer
safety is paramount; and

WHEREAS, the Department responds to a wide variety of critical incidents, instances of
civil unrest, and life and death situations, and operates in numerous unpredictable, dynamic
environments; and

WHEREAS, a variety of equipment options is needed for safe and effective resolution of
those situations; and

WHEREAS, each situation is evaluated by incident commanders or supervisors who,
based on circumstances and Department directives, determine which equipment should be used;
and

WHEREAS, the Department's diverse catalogue of military equipment, as defined in
state law, and associated training gives police officers the confidence and capability to de-
escalate volatile situations, enhance the safety of the public and officers, and bring critical
incidents to a safe resolution; and

WHEREAS, from time to time, the Department may be asked to assist or need to be assisted by other law enforcement agencies, which may include use of military equipment, as defined in state law; and

WHEREAS, partnerships with other law enforcement agencies are an integral part of maintaining the continuity of public safety within the region; and

WHEREAS, Assembly Bill 481 (AB 481) became effective on January 1, 2022; and

WHEREAS, AB 481 defines military equipment in California Government Code (Government Code) section 7070(c) to include a wide range of equipment as described in the Department's Military Equipment Use Procedure (Procedure); and

WHEREAS, AB 481 requires the Department to obtain the approval of the City Council (Council) by an ordinance adopting its Procedure prior to requesting military equipment from the federal government, seeking funds for military equipment, including grants and donations, acquiring military equipment, collaborating with another law enforcement agency in the use of military equipment in San Diego, using any new or existing military equipment in a manner not previously approved by the Council, or entering into an agreement for funding, receipt, acquisition, use of, or collaboration in the use of military equipment; and

WHEREAS, in applying the requirements of AB 481 to charter cities, the California Legislature declared oversight of acquisition and use of military equipment to be a matter of statewide concern, rather than a municipal affair, thereby superseding any inconsistent provision in the San Diego Charter; and

WHEREAS, the federal government allows local law enforcement agencies to obtain certain types of military equipment through a program authorized by Section 2576a of Title 10 of the United States Code, commonly known as the "1033 Program" or "LESO Program"; and

WHEREAS, the Department has not participated in this program since 2020, and does not intend to participate in the future; and

WHEREAS, in order to promote public safety, civil rights, and officer safety, the Department desires to continue using, seeking funding for, acquiring, and collaborating, when necessary, with other law enforcement agencies, in the use of the military equipment described in its Procedure; and

WHEREAS, the Mayor, as the City's Manager, directs the Police Chief, and the City Council, as the legislative body, makes legislative policy; and

WHEREAS, the executive and legislative branches of City government recognize the importance of working together to protect public safety by creating policies which protect the residents of San Diego; and

WHEREAS, the Council has examined the Department's Procedure and finds that the Police Department has submitted all information described in Government Code section 7070(d), enabling the Council to make the following findings; and

WHEREAS, pursuant to Government Code section 7071(d), the Council finds that the military equipment described in the Procedure is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety; and

WHEREAS, pursuant to Government Code section 7071(d), the Council further finds that the Procedure will safeguard the public's welfare, safety, civil rights, and civil liberties; and

WHEREAS, pursuant to Government Code section 7071(d), the Council further finds that continued use of existing military equipment and purchase of military equipment described in the Procedure is reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety; and

WHEREAS, pursuant to Government Code section 7071(d), the Council further finds that the Department will ensure use of existing military equipment described in the Procedure will comply with the Procedure in the future; NOW, THEREFORE,

BE IT ORDAINED, by the Council of the City of San Diego, as follows:

Section 1. That the Police Department Military Equipment Use Procedure, on file with the City Clerk as document number 00-21451, is hereby adopted.

Section 2. Section 3. That this approval is not intended to and shall not supersede existing processes to seek approval for the appropriation and expenditure of specific funds through the annual budget process, or existing processes for the approval and execution of contracts, donations, and grants.

Section 4. That the Council shall review this Ordinance annually and vote whether to renew the Ordinance, consistent with the requirements of state law.
